

Growing up is Hell...

In HELLISH play as Lucifer's son, a rebellious teenager who only wants to play his video games. When all of Satans parenting tactics fails, he disowns and banishes his son until he can prove that he is ready and worthy to inherit the throne. You, the Prince of Hell, must then learn to use the powers available to you, taking control of the many underworldly monsters to battle back through the caverns of hell. The monsters you use will need to be tough if you want to defeat your father in Hellish Combat and reclaim your birthright.

Level up and become more powerful as you learn about monster types and develop the best team to defeat your enemies

Explore the mazelike caverns of hell in this top down rpg and meet all sorts of interesting people

Discover all about the inhabitants, creatures, and relics of Hell as you fill out your book of the dead.
